CREDIT

Cary Academy operates on a Trimester system. Unless otherwise specified in the Course Catalog, course credit is assigned as follows:

Courses that meet five periods minimum per week = $1/3$ Credit/trimester = 1 Credit/year

Courses that meet two-three periods per week = $1/6$ Credit/trimester = 0.5 Credit/year

ADVANCED (ADV) AND HONORS (H) COURSES

Cary Academy offers ADVANCED (ADV) courses in lieu of Advanced Placement (AP) courses. These courses, our highest level, are taught with the rigor and expectations of AP courses but allow teachers to emphasize areas of study not prescribed in the AP syllabus. Most Cary Academy students enrolled in ADVANCED (ADV) courses take the corresponding AP exam offered by the College Board. The School Profile details the results of the AP examinations taken by Cary Academy students in a given academic year.

Cary Academy also offers Honors level courses in Geometry, Algebra II, Precalculus, and Physics.

NO RANK/NO GPA POLICY

Because our graduating classes are small, our programs highly rigorous, our range of grades narrow, and our students almost without exception entering competitive four-year colleges, it is our policy to neither rank our students nor compute G.P.A.
